## SEE BEYOND OUTWARD APPEARANCES

The phrase "Sunday best" has lost much of its meaning in our society today. Some lament the loss of people dressing up for church on Sunday; others think it's a healthy sign that we're as casual in attire gathered before the Lord as we are elsewhere. No matter which school of thought on this topic we belong to, James would probably chastise us. In either case, we are still focused on external appearance, mistaking it for some sort of favored position before God. True, James criticizes the community that favors the rich and well-dressed while ostracizing the poorly clothed, but even more he criticizes the making of distinctions, making choices based on criteria that having nothing to do with the reign of God. James might turn our attention to the reign of God described by Isaiah, in which people are healed and the earth becomes ripe to bear fruit. Jesus today is focused on this reign of God, healing a Gentile man in a region hostile to his Jewish faith, not mindful of the man's origins or clothing or status or ability to repay. Isaiah, James, and Jesus in Mark's Gospel all call us to look more deeply to find where the will of God needs to be done, and has been done, on earth as in heaven.

### TREASURES FROM OUR TRADITION

Back to work we go! Summer break is over and there is much to accomplish in school and in the workplace. It's a venerable Catholic custom to assign patron saints to the trades and occupations of life. This is largely in the realm of popular devotion, and although from time to time the Vatican declares a saint to be patron of this or that, the process is free-wheeling and just about uncontrollable. Still, there is a saint for almost any purpose, whether you are on death row (Dismas), having eye trouble (Lucy), or pursued by poisonous toads (Hubert). Medieval guilds would often associate themselves with heavenly patrons, so Saint Joseph has the carpenters, Thomas More the lawyers, and physicians get Saint Luke. If you're stuck in the airport, St. Joseph of Cupertino is on call since he was said to rise off the floor when he prayed, and if you're in a long line at the ATM, Saint Anthony Claret is for you.

In recent years, the Vatican has from time to time assigned a new patronage, as when Saint Aloysius Gonzaga was named the patron of HIV-AIDS patients, since as a young Jesuit novice he had cared for his fellow novices during a terrible plague. Anything that matters to us—nation, parish church, occupation, illness—can have a patron, and it is an aspect of Catholicism that has enormous appeal. To believe in the "communion of saints" is to know that the ties that bind us as a communion do not unravel with death, and that when we stand before life's struggles, we do not stand alone. Who is your patron saint?

## EDUCATION

The things taught in schools and colleges are not an education, but the means of an education.

### One Faith, One Family, One Future!

This is a year with new beginnings for all of us here at St. Albert the Great. I am honored to be your principal for our 65th school year! St. Albert the Great is steeped in a long and illustrious history marked with academic excellence. As we near the end of our 65th year, we embrace our new beginnings, while respecting our history and traditions.

The past months have been quite busy for us here at St. Albert the Great, as we have accomplished much in a short amount of time. This year, we have acquired 5 new SMARTboard technologies, as well as 5 additional SMART boards. We have obtained a beautiful playground for our students, as well as purchased new basketball uniforms for our teams! We have made great advances in our academic achievement, as we have become a **Harvard Data-Wiseschool**. Our illustrious faculty have given presentations on our Harvard Data-Wise process to the program creators at Harvard as well as to the

Archdiocese of Chicago downtown offices. We have implemented a parent work program and a finance committee which work together to make a St. Albert the Great education more affordable to our families.

The big news for us this year, was the announcement of our grant that was awarded to us by the Archdiocese. This grant will finance the training of our teachers by LEAP Innovations in a program called, Personalized Learning. Through this program, students are given the finest of resources in technology, devices, infrastructure, and support services. This truly is a "game-changer" for our school. We are so blessed and are very excited to begin this 21st Century Learning program at St. Albert the Great school.

Wishing you God's blessings for 2018!

Mrs. Jodi McLawhorn, Principal

### A Prayer for the Anniversary of 9/11

O God, our hope and refuge,  
in our distress we come quickly to you.  
Shock and horror of that tragic day have subsided,  
replaced now with an emptiness,  
a longing for an innocence lost.  
We come remembering those who lost their lives  
in New York, Washington D.C., and Pennsylvania.  
We are mindful of the sacrifice of public servants  
who demonstrated the greatest love of all  
by laying down their lives for friends.  
We commit their souls to your eternal care  
and celebrate their gifts to a fallen humanity.  
We come remembering  
and we come in hope,  
not in ourselves, but in you.  
As foundations we once thought secure  
have been shaken,  
we are reminded of the illusion of security.  
In commemorating this tragedy,  
we give you thanks for your presence  
in our time of need  
and we seek to worship you in Spirit and in truth,  
our guide and our guardian. **Amen.**
