From the Pastor's Desk

My Dear Brothers and Sisters in Christ!

We all know that our beloved St. Albert the Great Parish in Burbank is a unique parish, not only the largest in the Archdiocese of Chicago, but also it is a parish diverse in language and rich in traditions. As your pastor I always try to take care of all ethnic groups so that they receive the best and most beautiful service in their own language. I would like to announce with great joy that starting next month (February 2019) **Fr. Joseph Mol** will be able to help us to celebration of the Eucharist in English on regular basis. Dear **Fr. Joe**, with respect and great joy we welcome you in our beloved parish. You are one with us and for us! Many of our English-speaking parishioners know you very well, you are well-known here for your devotion, culture, elegance, tact and humor. I am certain that because of your permanent presence in our parish we will gain many great and new parishioners. My goal as the pastor is to take care of the parish priests and nuns, who so selflessly serve all our people. In the near future I will meet with **Fr. Joe and Isabella Giemza** (business manager) and discuss details related to **Fr. Mol's** ministry in our midst!

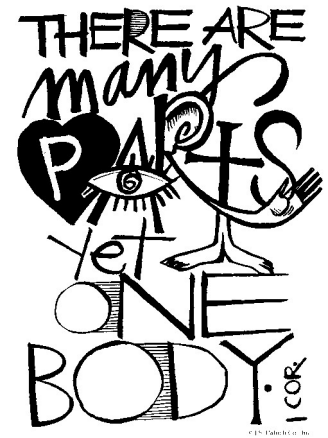

"Jesus, I Trust in You"!
Fr. Mariusz

TREASURES FROM OUR TRADITION

Saturday's feast of the Presentation is a day for the blessing of candles. Why does liturgy require candles? In the first years of the church, worship was often at night, and candles and torches were carried from place to place within the worship space as needed. Candles were also a mark of festivity and hospitality when people gathered for prayer in homes, and later on in large buildings with thick walls and dark corners. But even after gaslight and electricity, candles were kept.

Part of the reason has to do with the warm, clean light of a candle's flame. Candles are a good sign of the partnership of God and creation: wax made by bees, gathered and fashioned by human hands into something beautiful and useful. In order for the light to shine, the candle surrenders itself, almost as if it is pouring itself out so that the light can flood into the world. The candle of baptism, placed into our hands, and carried again and again, speaks silently of that same wisdom. If you would save your life, you must lose it. You must pour your life out like Christ so that you may be filled with the light of his love.

LOVE IN OUR WORKS

Our Lord does not care so much for the importance of our works as for the love with which they are done.

BROKEN BRIDGES

When we cannot forgive, we break the bridge over which we must pass if we would ever reach heaven; for everyone has need to be forgiven.
