TREASURES FROM OUR TRADITION

Although New Year's Day has been fixed firmly on January 1 for several hundred years, Labor Day has the feel of a great dividing line between leisure and routine. The pace of life has since picked up, and new schedules and commitments crowd us. In the background is God's call to consider the third commandment, still life-giving and binding, to make holy the Lord's Day by worship and rest. Jews see the Sabbath, Saturday, not so much as a day of worship, but as a day of rest, a day of renewing friendship with God by delighting in the beauty of creation and the joy of family and friends. It is a day for contemplating the wonder of God's creation, but not disturbing it. For Christians in the first three centuries, the Lord's Day, Sunday, was not for rest, but worship. It was a regular work day. People met before dawn, and after Eucharist hurried off to daily routines. Today we come to Mass, but many hurry off to essential work, not a day of rest. The Lord's Day is not the Sabbath, but we can enhance Sunday's ability to transform us if we consider embracing some Sabbath values: having a family meal, going for a walk in a beautiful place, making room in our lives to open ourselves more fully to holiness of life in Christ. J. S. Paluch Co.
