— Psalm 121:1-2*

PERSISTENCE

Exodus recounts the journey of the Israelites out of slavery in Egypt to the land promised to their ancestors. It was not an easy journey. In today's reading, they are attacked by Amalek and his soldiers, members of one of the peoples who live in the land through which the Israelites are traveling. Moses was on the hilltop with his arms raised to invoke the LORD's assistance in the battle below,

a powerful illustration of the LORD's favor upon Israel. If the soldiers were to lift up their eyes to that hill (see Psalm 121:1), they would be reassured by Moses's presence and posture. Paul urges the Thessalonians to persist in proclaiming the gospel, and Jesus likewise commends the widow for her persistence in pursuit of the justice due her. Whether they preach or pray, the followers of Jesus need persistence through periods of difficulty.
