Keep up the fantastic work!**

October is National Fire Prevention Month, and we want to give a huge shout-out to the Burbank Fire Department for coming out to speak to our students about fire safety! Fire prevention is a crucial aspect of ensuring the safety of our school and students. We are grateful for the expertise and dedication of these firefighters and the important work they do in our community. By working together, we can help ensure that all students and staff members stay safe from the dangers of fire.
